

Virtual Winter Super Saturdays

February 6, 13, & 20, 2021 | 9:30 am - 11:30 am CT

Super Saturdays encourages students in grades 1–6 who are of high ability or have high interest in a topic to pursue their passions outside the regular classroom. Through a minds-on, hands-on approach to learning, students explore and investigate such areas as math, art, science, history, writing, music, and performance under the thoughtful guidance of experienced teachers and in the company of enthusiastic, like-minded peers. Registration is \$80, and financial assistance is available.

- 1 - **All Things Matter**, grades 1 & 2
